Subject: St Kitts - Kevin Horstwood - IT expert

Dear Melanie

I understand from Lynda that Kevin went with an IT expert to Mitcham & Benjamin and his lap-top had been said to be tampered with. In this regard it would be helpful to have the name of the IT expert and his contact details so that Lynda can speak to him. Once there is corroboration and confirmation that the lap-top has been tampered with then we can ask the High Commissioner to raise a call with the Foreign Minister to highlight this.

Kind regards
Hema
