Your welcome. Let me know if I can do anything to help your investigation. Do you have people in for questioning now from the warrants that you mentioned last night.?

Good morning Commissioner,

No, everyone checked out. I now have an empty hotel.

Did your computer eventually come up with the prison record of Paul Bilzerian.? It is strange that it did not at first locate him. If you need details I can get them, he has been in Miami Federal Detention Center, Miami Federal Prison and Atlanta Federal Penitentiary, among others.

Regards,

Kevin Horstwood.

Commissioner,

Matt Murphy's phone number 660 6640.

Paul Bilzerian (Unit 631 St Christopher Club) St Kitts cell 660 7347.

Sir if I can do anything to help please let me know.

Be careful where Paul Bilzerian is concerned he is a very corrupt and manipulative loan shark. He is now operating at the highest levels in St Kitts. He is "of interest" to the Federal police in the USA. If you wish I can connect you with the appropriate officers there.

Sincerely,

Kevin Horstwood.

horrible

i have no contact for his family..i know of no other friends . he lived in Boynton Beach before moving there
someone will have to get into his laptop email some how and find contacts for his family. they were from new england
also check and see if you can find his states cell phone.....

i believe he has a sickly brother in the west coast of florida

I'm sorry to tell you that the police have found a body which answers the description that I gave them for matt.

I will confirm this and any details that I get as soon as possible.

I'm still operating Golden Lemon. I'm fighting the loan shark in the courts. I offered Matt to move to Rawlins but he wanted to stay at Golden Lemon for the moment.

Most days I give him a ride but some days he walks because it's only a mile if you go down the tracks.

im confused... i thought the GL was tits up.....and he was staying at rawlins
so he still is staying at a villa at the GL and walking up to Rawilins each day...

is this close?

Dear E.J.

I do not know if you are in e-mail contact in Belize, but if you are - please respond to this e-mail.
We are all very VERY worried. Matt has gone missing. He did not arrive for work this morning.
I went to his villa and there was no answer. I went back with a housekeeper and the pass key in
case something had happened to him. His belongings are still there but no Matt.!!

Hopefully he just got lucky and is shagging a piece down town but that is very out of character!!
He has never not turned up before without letting me know that there was a problem. When he left last time he let us know. Besides all his stuff is there.

As I said we are all worried and if there is no contact from him by 8.00 am tomorrow I will have to report him missing. CONCERNING.

If you know anything please respond.

Your friend,

Kevin.
